LETTER OF INTEREST

To,
HDFC Bank

Date: 29 June, 2021

Ref by : Mahant takur
Code : 2021

Subject : Viindhya Bullion Pvt Ltd Intents to Purchase Gold from you.

Dear Sir,

With reference to above, we express our intent and interest to purchase "GOLD 24 CARAT" of 999.9% purity subject to invitation of meeting with buyers, sellers (you) and consultant for details, Terms and Conditions from your side.

We realize that you currently hold stock to sell which we intend to buy from you through a bank transaction. We have the capability to purchase gold worth 500 KGs per month @ Rs.32,00,000/- (Rupees Thirty Two Lakhs Only) Per Kg exclusive of GST, Consulting Charges, Miscellaneous Charges etc. Subjected to the consideration we agree in meetings for each transaction with further communication from your end on the First Meeting. At the time of such meetings, we will bring all documents as necessary from our end. You would also be requested to provide the necessary documents from your end to complete the transaction. For your reference we will provide our Bullion License, GST registration details, our delivery location and other key documents in our meetings. If given a good price and accurate supply, we would like to extend our company worth to pull off one ton gold purchase per month.

We wait to hear back from you about the exact date of the first meeting in person and our first transaction for GOLD purchase. We will be present on the appointment day with the valid proof and other documents in regards to Bullion subject to confirmation letter from your side.

We look forward to hearing back from you and we are confident the transaction will be completed satisfactorily in a cordial atmosphere for a long term association. It is with utmost pleasure we are expressing our vivid intent with the experience of dealing the network of customer base extended thoroughly throughout South India. For further details please visit our official website www.vibullion.com.

For complete KYC look out visit 'ABOUT US' section in our website in the lower portion.
