Best-in-Class Benefits

Highest Purity

MMTC-PAMP offers 999.9 purest gold and silver minted products in the widest range of designs and denominations. Buy 999.9/24K purest gold and silver anytime at your convenience.

Swiss Craftsmanship

Built from the ground up under the direct supervision of PAMP technicians and engineers, MMTC-PAMP is today the world's most advanced precious metals processing facility, bringing global standards of excellence to India.

Ethical Sourcing

MMTC-PAMP follows all best practices in good governance and maintains the highest standards set by international regulatory institutions for ethical sourcing of precious metals.

Nil negative weight & purity tolerance

Weight and purity of products will always be greater than or equal to what you purchase, ensuring you always receive the best value.

Our accreditations

MMTC-PAMP is India's first and only gold and silver refinery accredited by the London Bullion Market Association (LBMA), the industry's foremost regulatory institution worldwide. We are also a certified member of the prestigious Responsible Jewellery Council.

SHAPE: Round and Ingot

This product is presented in a premium, ready-to-gift box and comes with individually serial numbered assay-certified sealed packaging.

THE TOLA

SERIES

In India, we continue to associate precious metals with the Divine and MMTC-PAMP honours India's glorious and Vedic heritage with the classic Tola collection. The design is as iconic as the unit of measure itself.

Expertly minted on 999.9 pure gold, the series symbolizes the history of the Tola as a unit of measurement. Inscribed across that motif is the word itself – tola – inspired by ancient Sanskrit calligraphy.

Available in:

DENOMINATION: Quarter Tola 2.9159g, Half Tola 5.8319g, Tola 11.6638g

METAL: Fine Gold
PURITY: 999.9
SHAPE: Octagonal

LOVE FOREVER

SERIES

" Beautifully crafted on 999.9 pure gold, the coin symbolizes love, affection and a promise to stay together forever. A perfect gift to your romantic partner and a unique way to celebrate love and an everlasting partnership of two souls. "

Available in:

DENOMINATION: 5g & 10g
METAL: Fine Gold
PURITY: 999.9
SHAPE: Round

This product is presented in a premium, ready-to-gift box and comes with individually serial numbered assay-certified sealed packaging.

LAKSHMI
SERIES

" The beautifully minted coin of 999.9 pure gold portrays Goddess Lakshmi, worshipped for her life-giving gifts of prosperity, protection, wisdom and guidance. As the Divine Incarnation of wealth, fortune, love, beauty, luxury and prosperity, Lakshmi is portrayed with Her four arms that together represent Cosmic Omnipotence, as well as perfection and freedom from bondage or limitations. "

Swiss Excellence. Made in India

Established in 2008 as a joint venture between MMTC Ltd, a Government of India Undertaking, and PAMP S.A. of Switzerland, the world's most trusted and accredited refiner and fabricator of precious metals, MMTC-PAMP is India's first and only gold and silver refinery accredited by the London Bullion Market Association (LBMA), the industry's foremost regulatory institution worldwide. And in addition to maintaining all essential accreditations required by the Government of India, MMTC-PAMP is India's only refinery certified for sustainable and transparent supply chain integrity by the Responsible Jewellery Council (RJC), the world's leading standard-setting organisation for the entire jewellery and watch industry.
